

Sometimes there is
such a thing as too much
information. When your
patrons are searching
for **GOVERNMENT
INFORMATION** even

simple searches in Google
and other 
engines can return too
many results, and rarely
the right results. For

**FAST, effective
searching** of government
publications the best
choice is

**MarciveWeb

“ [MarciveWeb DOCS]
helps us help our
selectives and remote
users by being able to
refer them to a library
closer to where they are. ”

**Fast, EFFECTIVE
searching
for government
publications
STARTS HERE!**

- > > > The most comprehensive
GPO database on the web
- Updated weekly
 - Full cataloging back to 1976
 - Hotlinks to full text articles

to patrons if your institution holds a copy of a document, and if not, what local and national libraries do. Where applicable, MarciveWeb DOCS hotlinks searches directly

**SAVE \$200 on a MarciveWeb
DOCS subscription when you
also subscribe to MARCIVE's
government document cataloging
service, Enhanced GPO Database!**

- **EASY SET UP**
 Can be easily installed on a PC or Mac. Once you have the software installed, you will be able to create a new database.

Every week you'll find new information hot off the government presses but you'll also find full cataloging back to 1976, including records unique and only available from MARCIVE.

MarciveWeb DOCS is focused on returning results. Simple screens deliver results quickly without graphics to slow down the display.

The people who make up MARCIVE, Inc. have been offering services to libraries since the inception of the MARC format. The company itself was incorporated in 1991 and provides a wide range of information bibliographic services. If you need a catalog for current acquisitions, MARCIVE provides the MARCIVE MARC database, which is a comprehensive database of MARC records. It also provides matching authorship records for cross references. We also offer the same services to book publishers, in addition to the MARCIVE MARC database. For more information, please visit our website at www.marcive.com.

- **EASY SET-UP AND MAINTENANCE.** What could be easier than logging onto the Internet? Once your MarciveWeb DOCS account is set-up you will never have to worry about CD-Rom installation or software updates to access complete, accurate government information. Everyone in your library, including anyone with your library's domain name, has access 27/7 without any extra user fees.

Annual Subscription:
\$1,495, includes weekly updates

For libraries with multiple domain names, remote access or other special circumstances, please contact a **MARCIVE representative today at 800.531.7678.**
