Bibliographic Records: Character Coding Scheme
* ☐ MARC-8 (Standard MARC)
   ☐ UNICODE MARC (UTF-8)

Backfile or Ongoing Only
* ☐ Start subscription by sending new records each month
   ☐ Start with backfile and then send new records each month. Individual $0.05/Record ($500 minimum)
   ☐ Start with backfile and then send new records each month. Consortium  (quoted rates)

Changed Records
We do not normally distribute records from GPO that have been re-distributed because of changes made. GPO makes a variety of corrections to the records: SuDoc number/item number revisions, added entries, addition of 856 fields with URLs, etc.
* ☐ Do not send changed records.
   ☐ Changed Records Integrated With New Records.
   ☐ Changed records output to a file separate from the new records. (Extra cost: $660/year)
4. MARC Tags

**OCLC Control Number**
All MARC records need to have an 001 field. We can also copy this information into another field.

- *Distributed in MARC tag 001
- Other MARC tag ______

**Call Number**
(Such as “Internet Resource” or “Web Resource”)

- *Do not create a call number
- Create a call number for all records ____________________________
- No call number
- Place in MARC tag ______

**Note Field**
(Such as “Click on web address to open this document”)

- *Do not create a note field
- Create a note for all records ____________________________

**Notification Service to Accompany Ongoing Subscription Bib Records**

- Send matching authority records, data only, monthly ($1,485/year)
- Do not send matching authority records

6. New titles list

If you need a report to see which records you have loaded, this optional report can be created from the monthly file of records and provided to you via FTP. Typically contains the SuDocs number, Brief title, and OCLC number. Other fields may be specified.

- *Do not create new titles list
- Create new titles list month. ($50/year)

7. Other options

**Additional location codes**
If you need more than one location code to appear in the record, please give details. This is an extra cost option.

- **One or no locations codes**
- Additional codes cost $250/each, a one-time setup fee.

**Separate output by format (such asserials)**
If you need records to be output by format, please give details. This is an extra cost option.

- Standard output
- Separate output by format. $250 per output (one-time setup fee)
Output records to OCLC

If you need a holdings record to be output to OCLC, this is an extra cost option. In order for us to provide records to OCLC to set holdings for you, someone at the library must fill out the OCLC batch load services form at http://www.oclc.org/en-US/batchload/ordering.html to let them know that we will be providing monthly sets of records on your behalf. Once the form is processed by OCLC staff, they will provide us with a project ID. We must provide the project ID and your OCLC symbol with the records we send each month. We cannot proceed with this option without this information.

- Do not send records to OCLC
- Output records to OCLC. (Additional subscription charge of $420/year). Does not include any costs incurred by OCLC to set holdings.

8. Other profiling requirements

Please list here any other special modifications to fields or special profiling requirements, or attach separate sheet.
